eDiplomacy

From 1 April 2006 to 7 April 2006 Dr. Carol Christianson and Mr. Eric Johnson traveled to Hong Kong and Chengdu, China cooperate, under the auspices of the Office of eDiplomacy in the Department of State, on media capacity building related to the Avian Flu epidemic. Another goal of the trip was to learn about Chengdu's use of geospatial information systems (GIS) as an effort to enhance post reporting and analysis. The capability they have produced could be utilized elsewhere.
